

MONDOLFO FERRO

SEMA SHOW

2011

Dear Sirs,

We are glad to inform you that this year, Mondolfo Ferro company will be exhibiting at the SEMA Show 2011 in Las Vegas from 1st to 4th November 2011.

This is our first time direct participation as we are interested in developing our presence into the American market through a network of Equipment Distributors.

Mondolfo Ferro S.p.a. is a Italian company specialized in the manufacturing of high quality tire changers, balancers, wheel aligners and lifts, since 1962, present worldwide through the most qualified distributors.

If you are a Distributor of Equipments or Tools and:

- Tired of competing against your own equipment brand;
- Tired of your competitors setting your selling prices;
- You would like to have a product line that you could call your very own and a manufacturing company who really support you..

... COME AND VISIT US @ #45298 AT THE

This is an excellent opportunity for any Equipment or Tool Distributor seeking an exclusive product range with high quality, competitive prices, parts availability and an expert technical support.

In the occasion of the show, we'll exhibit a SELECTION OF MACHINES from our range of tyre service equipment and you will be the most welcome to our booth.

Should you like to fix an appointment in advance, feel free to contact us.

Looking forward to welcoming you at our booth, we remain
